GUIDELINES FOR ELECTION DAY ACTIVITIES

While the Fairfax County Office of Elections understands that various organizations and individuals want to conduct fundraisers, petition drives, exit polls and other activities on election day, our office must ensure that elections are conducted in an orderly manner, according to law, and that the voters are not intimidated or delayed when exercising their right to vote.

Section 24.2-604 of the <u>Code of Virginia</u> states (in part) that "During the times the polls are open and ballots are being counted, it shall be unlawful for any person (i) to loiter or congregate within 40 feet of any entrance of any polling place; (ii) within such distance to give, tender, or exhibit any ballot, ticket, or other campaign material to any person or to solicit or in any manner attempt to influence any person in casting his vote; or (iii) to hinder or delay a qualified voter in entering or leaving a polling place."

Following are guidelines for election day activities in Fairfax County:

- Outside the 40-foot prohibited area, citizens and organizations are entitled to exercise their right to free speech by campaigning, distributing flyers, conducting petition drives, exit polling, soliciting funds, etc., as long as they do not hinder voters or disrupt the election.
- Organizations that wish to conduct fundraising activities must have permission from the appropriate school/church official or owner of the property. All such activities must be located <u>outside the building</u> and at least 40 feet away from the entrance(s).
- Participants in these activities are asked to park either off-site or away from the polling place entrance(s) and may not park in spaces reserved for voters.
- Any citizen or organization involved in these activities must remove their tables, signs, flyers and trash from the polling place property immediately after the polls close.
- Loudspeakers are not permitted within 300 feet of the polls. (§ 24.2-605)
- Polling places in churches or other private facilities may have additional restrictions regarding fundraisers. Please contact their managers for specific information.

The Officers of Election have the authority to remove any person who disturbs or otherwise interferes with the orderly conduct of the election. (§ 24.2-607)

Officers of election may restrict the use of an electronic device by any individual if that use hinders, delays, or disrupts the voting process; if that use attempts to solicit or in any manner attempts to influence any person in casting his vote; or if the individual attempts to intimidate another individual through use of an electronic device. Whether use of an electronic device by an individual is deemed in violation of this section is within the discretion of the majority of officers of election at each polling place. Community Use of School Facilities as Polling Places for the Democratic Party Primary Elections, June 20, 2023

I. PURPOSE

To provide a list of the 167 school facilities that have been made available to the Fairfax County Electoral Board as polling places for the Democratic Party Primary Elections, June 20, 2023 (see attachment), and to supply related information.

This notice is effective until Tuesday, June 27, 2023.

II. RESPONSIBILITIES

Responsibilities associated with the use of school facilities as polling places are set forth in the current version of Regulation 8422, Community Use of School Facilities as Polling Places. Attention is called to the paragraphs pertaining to requirements for the display of flags and times the facilities are open to election officials. Buildings must be open on time.

Polling facilities for all elections must comply with the Americans with Disabilities Act (ADA) including admittance from the accessible entrance to the building. If necessary, election officers will put up signs to reserve parking spaces for voters requiring accessibility near that entrance. Additionally, please ensure that no school buses are parked near an entrance designated as ingress to the polling place as state law prohibits anything that may impede voter access.

Parking spaces are to be reserved for voters. Please reference the attachment for the number of reserved parking spaces required for your facility.

To accommodate multiple pieces of electronic voting equipment, <u>tables with separate chairs designated for ballot distribution and ballot marking</u>, election staff, voters with disabilities and older voters, polling activities should be in either the gym or cafeteria, or in a space that provides at least 1500 square feet of unobstructed space.

Voters do not need to sign in at the main office. If your school has a door access system, please deprogram the door(s) used by the voters. If you do not want to disable the door(s) on Election Day, you must post someone near the door(s) to allow voters to enter without impediment. A school should not plan a fire drill on any Election Day.
